## **Items NOT wanted:**

### **No thank you**

It's not about what we want, it's about what people can use. What may be useful to us, may not be useful to recipients in our partner countries. If we say we can't take something, we're not being ungrateful, we're just being honest.

All broken tools - we can sharpen and remove surface rust, but can't repair or take tools with woodworm.

Ladders and step ladders

Lawn rakes/long-handled shears

Electric and hand lawnmowers

Printers, scanners, typewriters

Disability aids: walking frames, wheelchairs, medicines and glasses

Clothes and shoes

Bikes: men's, women's and children's

Books

Embroidery materials, curtains and weaving materials

Cooking pots, pans and kitchen utensils, crockery and cutlery, household appliances and musical instruments

This isn't an exhaustive list, just the main things we're offered by well-meaning supporters on a regular basis

Please note:

Sometimes people donate tools that are not suitable to send to Africa, either due to their age or because they would not be used. We also have some tools donated in such quantities that we cannot use all of them. On these occasions, we will attempt to sell the items to raise vital funds for our work.
